RENOVATIONS
NOW COMPLETE!**

THE BRENTWOOD REHABILITATION AND HEALTHCARE CENTER is a leading short-term rehabilitation provider in close proximity to many area hospitals featuring an exceptional continuum of clinical care.

*Our specialized spheres of excellence include
Orthopedic, Respiratory
& Stroke Recovery.*

Our fully renovated dedicated Subacute Transitional Unit is the ideal environment for individuals who require intense rehabilitation following a hospital stay.

OUR STAFF IS COMPRISED OF caring and dedicated professionals who deliver personalized quality care and know every patient by name. A sense of warmth and camaraderie permeates our entire facility, setting the stage for a positive recovery.

Individuals recovering from a stroke, spinal cord injury, joint replacement, cardiac and pulmonary disease, and neurological disorders benefit tremendously from physical, occupational and speech therapies offered 7 days a week.

OUR EXPERT TEAM OF THERAPISTS utilize a goal-oriented approach, in conjunction with the latest therapeutic breakthroughs and cutting-edge equipment, to help patients regain their strength, mobility and independence.

The Brentwood merges the latest medical advances & technology with five-star amenities and a comprehensive team approach.
